continuously in print for over 30 years and available in many different languages john drane s introducing the new testament has long been recognized as an authoritative and accessible survey of the subject this new edition has been fully revised and updated with fresh material on the many political contexts in which the early church flourished along with new insights into the writing and reception of written texts in what was essentially an oral culture specific issues that will be of particular interest to students are highlighted in special boxed feature sections along with an extensive glossary of technical terms and key maps and diagrams this book is the ideal starting point for readers who wish to explore the new testament and its world in the light of recent scholarship and its relevance to life in the twenty first century

an authoritative and beloved textbook updated for the current generation of theology students daniel l migliore s classic theology textbook returns in a new edition revised and supplemented with fresh material faith seeking understanding covers fundamental topics for budding theologians from biblical hermeneutics to the incarnation to the life of faith as in previous editions the material culminates in four imaginative dialogues between prominent thinkers to illustrate major theological debates in addition to updates throughout the text the fourth edition also includes a new introduction and an additional chapter on christology students will appreciate the textbook s accessible style comprehensive reading recommendations and glossary of theological terms

terrorism same sex marriage debt cancellation the aids pandemic these are just some of the critical contemporary issues addressed in this book issues facing christians today helps thinking christians sift through and respond to a sweeping array of complex and pressing topics thoroughly revised and updated by roy mccloughry and fully endorsed by john stott this fourth edition continues a two decades plus legacy of bringing important current issues under the lens of biblically informed thinking combining a keen global awareness with a gift for penetrating analysis the authors examine such vital topics as pluralism and christian witness cohabitation environmentalism and ecological stewardship war and peace abortion and euthanasia and much more an entirely new chapter on bio engineering has been contributed by professor john wyatt of university college london including a study guide issues facing christians today is essential reading for christians who wish to engage our culture with insight passion and faith knowing that the gospel is as relevant and deeply needed today as at any time in history as the culture wars continue this book will remain a critical contribution helping to define christian social and ethical thinking in the years ahead

since the first edition of integrative approaches to psychology and christianity was published in 2004 this has become the standard textbook on the topic now in its fully revised fourth edition dr entwistle s book elucidates historical philosophical and practical issues in the integration of psychology and christianity as in previous editions the current text provides an introduction to many of the worldview issues and philosophical foundations that frame the relationship of psychology and theology includes scholarly reflection on the integration literature and surveys six models of possible relationships between psychology and christianity ranging from those that are completely opposed to either religion or psychology to intermediate models that assert that some limited interaction between them is possible to viewpoints which suggest that a christian worldview approach can be used to provide a context for exploring areas of overlapping interest between psychology and christianity the current edition considers recent advances in both catholic and protestant thinking on integration including contemporary questions about what evangelicalism is and is not that shape evangelical reactions to the integration debate new content ranges from information about the contrasting views of tertullian and augustine to insights from contemporary psychology about factors that adversely affect the quality and reliability of human thinking to how conflict over covid 19 has entered contemporary religious debate the book is designed to help readers become aware of the presuppositional backdrops that each of us brings to these issues questions at the end of each chapter are included to help readers evaluate both the material and their own burgeoning approach to integration this book is ideal as a textbook for students of psychology and other behavioral and social sciences social work sociology theology counseling pastoral counseling at both the graduate and undergraduate level it is also written for the broader readership of psychologists counselors pastors and others who are interested in integration

the standard style guide of the christian publishing industry the christian writer s manual of style 4th edition compiled by veteran zondervan

editor robert hudson contains clear guidance on style questions related to religious writing including many topics not addressed in other references or online nearly half of this fourth revision is made up of new material including information about turning blogs into books the effects of digital media on writing adverbial doubles vanishing accents word choice strategies endorser guidelines and much more it also contains an all new word list which makes up more than a third of the book the most needful information remains entries on capitalization abbreviation citations fictional dialogue and more but it has all been updated to keep pace with changes in english language usage this fourth edition also corresponds with the chicago manual of style 16th edition 2010 though it isn't afraid to chart new territory where that reference is unhelpful on issues of religious writing comprehensive yet easy to use the christian writer's manual of style 4th edition is a go to resource for christian authors pastors teachers copy writers editors proofreaders publishing and ministry professionals executive assistants and students anyone who writes or edits as a part of their work or study and for grammar aficionados everywhere

perspectives on the world christian movement presents a multi faceted collection of readings exploring the biblical historical cultural and strategic dimensions of world evangelization writings from more than 150 mission scholars and practitioners over 60 of them new to this edition portray the history and anticipate the potential of the global christian movement every one of the 170 articles and side bars offers practical wisdom enabling christians to labor together in bold biblical hope to finish the task of seeing that christ is named and followed among all the peoples of the earth the fourth edition contains over 60 articles and sidebars that are new to this edition many articles have been updated and revised

an international bestseller in the field of christian spirituality this book about the interior life is a call to abandon oneself to god according to the gospel edict unless you turn and become like children you will not enter the kingdom of heaven mt 18 3 drawing on his experience as a much sought after spiritual director the author manages to simply and clearly capture the reader s attention and awaken a yearning to experience god and follow a specific path to sanctity some quotes from the book every moment of your life is a moment of meeting with the presence that is loving you 6 in the light of faith try to look at your own imperfections in such a way that you are not saddened by them christ accepts you as you are you can go to him with all your imperfections and weaknesses he will repair what you have done wrong and complete all that you lack 81 this first sacrament of the church is the beginning of our being hidden with christ in god baptism is the origin and source of faith it begins a supernatural life in us which is a life of faith hope and love 168 169 st francis never criticized anyone he believed that if evil was all around it was he and not others who must first be converted 178
