A sure-fire hit for horse lovers, *Kirkus Presley and the Impossible Dream* is the first book in the middle grade *Windy Creek Stables* series set at a rural Virginia riding school, a 21st-century saddle club full of authentic detail, realistic drama, and tons of heart. Presley's life is pretty great; she has a loving family, friends at school, and plenty of rambunctious rescue pets. There's just one little problem: she's never gotten to ride a horse, and her mom has banned her from ever, ever, ever getting on one. Sure, Presley knows riding can be a little dangerous and a little expensive, but she's loved horses for as long as she can remember. She's read every book in the library about horses and horsemanship, she watches professional horse competitions on the internet, and she's always dreamed about learning to ride. So when she gets the opportunity to tag along with her stepdad on a vet visit to Windy Creek Stables, she jumps at the chance. And even after a surprise run-in with Harper, a popular girl who's never given Presley a second glance, Windy Creek is everything she thought it would be. Except...well, maybe it's a little messy. Clean and dirty saddle pads are all jumbled together, and there's a tangle of bridles hanging on a hook in the corner, which gives Presley the perfect idea. In exchange for cleaning stalls and helping around the barn after school, Tracie, the stable owner, will give her lessons if she can get her mom to agree to the deal.

A mother's love is sometimes all a child has to cling to. What happens to a child when a mother loves her child too much or not enough? Len and Maurice are brothers scarred by their past; overcoming is the only way they can survive. This story follows these two brothers through love and hate relationships as they find their way despite the burdens they carry. While enjoying this book, the reader is treated to a unique look into the characters' minds that will forever redefine the term *Sob African American Contemporary Fiction*. Strong romance base to drive the story. A must read.
