this second comprehensive and scholarly volume of over 500 pages on the life and work of andres segovia contains a biography of the years 1958 1987 and focuses on segovia s rendition of spanish romantic and contemporary neo classical masterpieces by tárrega albeniz granados llobet and ponce a special appendix in each volume presents the original scores for the segovia editions discussed in the text some of which have never been published as well as modern editions of these pieces includes access to an online audio recording by gerard garno

from the first mention in courtly poetry of the thirteenth century to enormous global popularity in the twentieth the guitar and its development comprises multiple histories each characterised by distinct styles playing techniques repertoires and socio cultural roles these histories simultaneously span popular and classical styles contemporary and historical practices written and unwritten traditions and western and non western cultures this is the first book to encompass the breadth and depth of guitar performance featuring thirteen essays covering different traditions styles and instruments written by some of the most influential players teachers and guitar historians in the world the coverage of the book allows the player to understand both the analogies and differences between guitar traditions and all styles from baroque classical country blues and rock to flamenco african celtic and instrument making will share the same platform as musical training is increasingly broadened this comprehensive book will become an indispensable resource

now in one volume much of what the novice classical guitarist will need to know to place him or her on the recital stage from proper instrument care and maintenance to the necessary technical skills musical mindset and the standard repertoire all is exposed and explored in enough detail and insight that the student will wish to keep this book close at hand for years to come top serve as a ready reference source

as the title of his book attests guitarist and musicologist martín pedreira presents a methodical treatment addressing the most highly refined guitar techniques in my opinion we should not confuse the methodical with the routine because the latter does not facilitate the completion of any task we applaud pedreira for his rigorous vision of instrumental practice and his meticulous attention to the physical motor aspects of the instrumentalist this reference book is worthy of frequent consultation for its valuable suggestions leo brouwer this

comprehensive reference book integrates the historical structural technical and ergonomic aspects of classic guitar performance with the individual player's cultural intellectual creative and emotional facets in what the author calls a psychophysiological approach to interpretation in addition to its emphasis on ergonomic posture and technique the book includes over 200 short musical excerpts by sor giuliani coste turrrega barrios montoya ponce pujol villa lobos rodrigo brouwer and others illustrating practically every aspect of classic and flamenco guitar technique this unique wholistic perspective of technique through repertoire will be useful to teachers aspiring composers and to students and professionals forming recital and concert programs given the author's extensive survey of technique and repertoire from an ergonomic point of view it is likely that even seasoned concert artists and teachers will find something new of intense interest to share with their audiences and students no classic guitarist's library would be complete without this landmark book the author's goal in presenting this multifaceted approach is to provide theoretical and practical coordinates for improving guitar interpretation while acknowledging the player's intellectual and emotional contributions while there is no companion recording for this book many of its examples can be heard in their entirety on youtube the inclusion of numerous quotes from renowned guitar virtuosos and other instrumentalists plus statements by non musician artists scientists and psychophysical experts from the renaissance to the present day emphasize the wholistic nature of this book readers are encouraged to put everything they have into their performances including technique and musicianship of course but also general cultural knowledge and yes personal experience feelings and even spirituality in order to enchant instead of astonishing the audience and play more for the heart than for the eyes alexandre lavignac la educaci3n musical

a collection of ten transcriptions for the guitar of classic rags by scott joplin the greatest and most inspired of all ragtime composers the works selected for this volume are an excellent cross sampling of joplin's rags titles the entertainer the cascades maple leaf rag

my guitar method book 3 this is the book where students get to learn part of the important guitar techniques such as hammer on pull off portamento basic flamenco strumming and others and also another type of tone production techniques like harmonics ponticello and tasto that make their playing more expressive and colorful at the end of the lessons students will explore the higher frets especially the 5th position and above to make them able to play the scales and arpeggios with 2 octaves with the more complete technique and knowledge the student can learn more pieces that contain barres slurs higher positions and experience some famous pieces with simple arrangements for classical guitar the book also comes with some simple original compositions by the author discovering some of the classical guitar masters to make the learning more meaningful

the holdings of the music division of the new york public library cover virtually all musical subjects its scores represent a broad spectrum of musical style and history

contains minuetto no 1 villanesca no 4 zarabanda no 3 arabesca no 12

covering a wide range of modern digital recordings of high quality this valuable reference now completely revised and expanded assesses the huge and growing range of mid priced bargain and super bargain cds of classical music including doubles duos and twofers

contains records in review
