the tiers series chronicles the adventures of both robert wolff a man from our world transported through space time to a cosmos with dimensions and laws different from our own and kickaha the trickster a k a paul j finnegan also from our contemporary world separately and together the two heroes contend against the lords who rule the separate universes of which the marvelous many leveled world of tiers is the center mythological and legendary creatures and characters abound centaurs and harpies mermaids and indians aliens and beautiful women

the first three adventures set in the amazing realm created by the hugo award winning author of riverworld and an excellent science fiction writer isaac asimov his past a mystery and his present unbearably mundane robert wolff is simply trying to buy a new house in arizona when he stumbles upon a secret doorway through space and time and enters the world of tiers made up of ascending levels of jungles plains medieval cities and at the top a garden of eden and populated by fantastical creatures from nymphs and centaurs to merpeople and strange amalgams nonexistent on earth it s beyond anything wolff could have imagined in his previous humdrum existence and when his youth is restored in the bargain it seems he s truly found paradise but there are dark forces in this new world and wolff is plunged into an epic quest up through the tiers accompanied by paul janus finnegan another earthling now known as kickaha wolff s journey to find jadawin the lord of this world will lead to answers about his own identity and determine his fate wolff and kickaha will face off against feuding lords who hold the power to control private

worlds of their own design and the depraved bellers devices originally created in the biolabs of the lords the bellers are now conscious entities waging war on the lords and their pocket universes as they infiltrate the bodies of creatures throughout the world of tiers and hunt down the earth born the survival of all the worlds hinges upon the battle between the strangers from earth and enemies disguised as their allies this omnibus contains the author s preferred text reprinted from the limited edition volumes published by phantasia press

the author of the bestselling riverworld saga presents the second omnibus volume of classic sf novels from his popular world of tiers series these three action packed novels behind the walls of terra the lavalite world and more than fire are great originals of universe hopping adventure and were later used as models by roger zelazny for his chronicles of amber

the novels of the author s world of tiers series are presented in an anthology that takes the reader on a universe hopping adventure

the tiers series chronicles the adventures of both robert wolff a man from our world transported through space time to a cosmos with dimensions and laws different from our own and kickaha the trickster a k a paul j finnegan also from our contemporary world separately and together the two heroes contend against the lords who rule the separate universes of which the marvelous many leveled world of tiers is the center mythological and legendary creatures and characters abound centaurs and harpies mermaids and indians aliens and beautiful women

a comprehensive bibliography of books and short fiction published in the english language

the lavalite world is a world of slow but constant change here mountains rise from plains or sink into rifts new oceans form as vast hollows collapse and seas rush in there is only one escape from this world where the very landscape moves the one gateway to other universes is in the palace of the lord urthona paul janus finnegan also known as kickaha must reach it if he is to survive and he must do so despite the lords urthone and red orc the hired thug mckay flesh eating vegetation on the run beasts of prey and planetary pseudopods

this exciting text is unique in that it takes a consciously student oriented approach to the study of international relations communicating concepts in a clear and concise manner the book provides students with an abundance of high interest features and pedagogical elements to help them learn aiming to maximize student understanding of the concrete world rather than ir theory each chapter concludes with a case study of a contemporary situation so that students can apply what they ve learned and a changing contours section that asks students to consider the future of a particular topic with a large and helpful map program and extensive photos and illustrations this is a consummately student friendly text students like this book and because they do they learn from it

on science fiction authors

when where how and to what end american force will be applied in this new century is a matter of intense debate and controversy when america fights takes a hard

look at the united states military involvement in the post cold war era especially a growing number of peacekeeping operations are u s national interests served by this deployment of forces abroad what types of forces are needed and when should they be employed at what point can we proclaim mission accomplished and withdraw snow uses the deployment in kosovo as a primary example but refers back to the role of u s troops in bosnia somalia haiti and iraq extrapolating from those operations in an effort to theorize about the future uses of military force snow looks at the likely future patterns of violence paramilitary activities terrorism and internal wars and then suggest the direction policy might take and the difficulties associated with the difference objectives thereby framing the alternatives in a way that fosters classroom debate and discussion

more than 2 300 works of fiction and poetry are discussed each cross referenced to other works with similar or contrasting themes winners and nominees for major awards are identified books that are part of a series are flagged with a complete list of books in series included in a final chapter along with a comprehensive list of awards of translations and of young adult and children s books

a demigod disguised as an earthman and lord of the planet of many levels wolff jadawin must enter the many leveled universe constructed for his torment and destruction in order to save his bride from the satanic master lord urizen

from a multiple hugo award winner four more novels in a brilliantly imaginative series in the second half of the world of tiers series kickaha embarks on a journey to the eternally shifting landscape of the lavalite world of lord urthona and the ultimate clash with his arch nemesis on earth kickaha and the lord anana pursue a rogue beller called thabuuz they thought they had wiped out the last of the biolab generated artificial intelligences created by the lords but it seems one has escaped through a portal to southern california thabuuz must be found before he can spawn more bellers and revive their war against the lords but even though he came from earth fifty years ago kickaha no longer recognizes his former home now ruled by a hostile lord known as the red orc leaving an unwelcoming earth kickaha is trapped on the strange planet he thinks of as lavalite world and the only way out is a single gate located inside urthona s palace but the stronghold moves as readily as the dangerous terrain making survival an unlikely prospect after facing harrowing challenges and finally returning home to the world of tiers kickaha is led into one last trap he ll have to confront the fearsome enemy who has been hunting him all along and the fate of the pocket universes lies in the balance this omnibus contains the author s preferred text of the novels behind the walls of terra and lavalite world reprinted from the limited edition volumes published by phantasia press
