essays selected by the author from his actuelles and other works

this long overdue vivid and wide ranging examination of the significance of the resistance of the enslaved themselves from sabotage and running away to outright violent rebellion shines fresh light on the end of slavery in the atlantic world it is high time that this resistance in addition to abolitionism and other factors was given its due weight in seeking to understand the overthrow of slavery fundamentally as walvin shows so clearly it was the implacable hatred of the enslaved for slavery and their strategies of resistance that made the whole system unsustainable and ultimately brought about its downfall walvin s approach is original too in looking at the atlantic world as a whole including the french and spanish empires and brazil as well as britain s colonies in doing so he casts new light on one of the major shifts in western history in the three hundred years following columbus s landfall in the americas slavery had become a widespread and critical institution it had seen twelve million africans forced onto slave ships a forced migration that had had seismic consequences for africa it had transformed the americas and materially enriched the western world it had also been largely unquestioned in europe at least and among slave owners traders and those who profited from the system yet within a mere seventy five years during the nineteenth century slavery had vanished from the americas it had declined collapsed and been destroyed by a complexity of forces that to this day remains disputed as walvin shows so clearly here though it was in large part overthrown by those it had enslaved

the contributors historians and anthropologists from a number of countries move beyond the traditional structural analysis of society to a finer understanding of people as actors native andean initiatives and consciousness are clearly placed at the center of this inquiry which merges the best methods of history an anthropology stern begins with a vigorously argued theoretical essay in which he identifies major findings and arguments running throughout the book demonstrates their pertinence to the more general field of peasant studies and draws out the implications for theory and method he reappraises the role of peasant consciousness and political horizons and the significance of ethnic factors in explaining peasant consciousness and revolt the case studies themselves revamp the history of andean peasant rebellion and consciousness in peru and bolivia this is accomplished by studying violent uprisings as transitional moments within a long term trajectory embracing varied forms of resistance and by scrutinizing closely the ideological and cultural aspects of domination political legitimacy and rebellion the results sharply alter our understanding of three major historical problems the crisis of spanish colonial rule and the outbreak of native andean insurrection in the eighteenth century the response to peasants to

creole wars and nation building efforts in the nineteenth century and the political strategies and dilemmas of andean peasants in the context of populist and radical politics in the twentieth century

a fascinating collection of essays concerning working men and women these 26 essays range over the history of working men and women between the late 18th century and the present day they include hobsbawm's pioneering studies in labour history and social protest the formation of the british working class labour custom and traditions the political radicalism of 19th century shoemakers male and female images in revolutionary movements the machine breakers revolution and sex peasants and politics the rules of violence the common sense of tom paine there are more recent reflections on the may day holiday the vietnam war socialism and the avantgarde mario puzo the mafia and the sicilian bandit salvatore guiliano and the cultural consequences of christopher columbus there are tributes to some of jazz's legendary figures count basie sidney bechet and duke ellington and the tragic blues singer billie holiday

in this comprehensive volume richard m billow provides a thorough introduction to group psychotherapy from a psychoanalytic perspective billow integrates contemporary psychoanalytic thinking with freudian and kleinian core concepts as well as bion's early group theory and his later metapsychology to provide a holistic overview of group therapy and its potential benefits for patients he incorporates major psychoanalytic thinkers outside the american relational mainstream such as lacan laplanche kaes foulkes and pichon riviere as well as his own prominent contributions to the field to provide a unique and interdisciplinary overview throughout the chapters readers will be introduced to challenging clinical experiences that illustrate some of the similarities and differences among psychoanalytic and other psychodynamic group approaches offering guidelines on how to harness and conduct the group billow provides exceptional insight into the veritable benefits of maintaining an analytic stance within the clinical setting written in a clear and accessible style this book is a vital tool for students and professionals interested in a thorough overview of psychoanalytically based group treatments

the hungarian cultural centre in london is proud to be associated with this the third volume on the history of hungary which the centre has supported and co published like its predecessors on lajos kossuth and on british hungarian relations the present work demonstrates the sustained interest in great britain in the field of hungarian history the collection draws together british hungarian and north american historians and thus illuminates the continued scholarly exchange between both countries and continents the hungarian cultural centre in london was opened in covent garden in 1999 from the very start its mission has been to familiarize the british people and the

rest of the world with all the treasures that were spread to europe by the hungarians as well as to highlight the values that hungary owes to foreign cultures in this way emphasizing hungary s role as a bridge for inter cultural communication the present work comports entirely with this aim as well as having its focus on one of the most important events in post war hungarian and european history the revolution of 1956 preface p ix

this volume looks at the ways historians have written the history of the region depending upon their methods of interpretation and differing styles of communicating their findings the chapters discussing methodology are followed by studies of particular themes of historiography the second half of the volume describes the writing of history in the individual territories taking into account changes in society economy and political structure the final section is a full and detailed bibliography serving not only as a guide to the volume but also as an invaluable reference for the general history of the caribbcan as a whole

more than 50 years after independence algerian chronicles with its prescient analysis of the dead end of terrorism appears here in english for the first time published in france in 1958 the year the war caused the collapse of the fourth french republic it is one of albert camus most political works an exploration of his commitment to algeria

now in paperback an engaging and eclectic collection of essays from the best known living historian in the world the times london uncommon people collects twenty six essays by eric hobsbawm one of the truly great synthesizers of the last few centuries of european history philadelphia inquirer it brings back into print his classic works on labor history working people and social protest pairing them with more recent previously unpublished pieces on everything from the villainy of roy cohn to the genius of count basie duke ellington and billie holliday a true renaissance man hobsbawm explores topics from mario puzo and the maÃŒa to tom paine and the radical tradition highlighting hobsbawm s passionate concern for the lives and struggles of ordinary men and women uncommon people offers both an exciting introduction for the uninitiated as well as a broad ranging retrospective of the work of this erudite and influential historian los angeles times
