in this long awaited important and highly readable book dr na im akbar addresses these questions are african americans still slaves why can t black folks get together what is the psychological consequences for blacks and whites of picturing god as a caucasian learn how to break the chains of your mental slavery with this new book by one of the world s outstanding experts on the african american mind

this is an lgbt science fiction romance it involves a bromance between two college boys who go on to fight aliens and stand up against the evils of conformity shackles of conformity is a simple message nobody is perfect and being an individual in society is harder than it is made out to be this book asks big philosophical questions about things like our safety being more important than our ability to act on our own volition once you pick up this book it will be like stepping onto a psychological rollercoaster

the daily practice of meditation transforms us radically samael aun weor the world is in crisis and everywhere there are wars and rumors of wars promises and mockeries bombardments and political parties that fight each other it is absurd to suppose that we can depart from this social chaos with all of its fights and miseries if indeed individually we do not resolve ourselves to perform a radical and

definitive change the legal or illegal changes of governments the bloody dictatorships the revolutions of blood and alcohol are all useless if we truly want an absolutely radical change then first of all we need to change ourselves individually what we are as individuals is what the world is indeed the world is the individual because the world is nothing more than the sum of all individuals the problem of the world is the problem of the individual thus if the individual does not internally change then the world will never change either even when many want to change it based on extremist doctrines bloody revolutions abominable dictatorships etc if we study our intimate problems in detail then we have to arrive at the logical conclusion that no leader can resolve these problems for us what i am is in fact the party the group the family the society the nation the individual is the beginning and the ending of every order of things thus if we want a radical transformation of this bitter and suffering world then we need each of us to individually transform ourselves in a true and very intimate way if we truly want to transform ourselves intimately for the good of the world then we need to liberate the mind and heart from any type of evilness

examines the complex historical and psychological effects of slavery across generations of caribbean people it is a unique contribution to the field of trans cultural psychoanalysis casting light on an area previously neglected within mainstream psychoanalytic writing

african centered psychology culture focusing for multicultural competence addresses various topics on the psychology of african people although most analyses focus on the african u s diaspora azibo articulates principles that are applicable to most african populations the book opens with an introduction to the field of black psychology its history and its relationship to western psychology theories of personality are discussed as well as a review of the diagnostic manuals of mental disorders in western psychology and psychiatry furthermore azibo suggests a restructuring of social work that respects african culture reports the favorable results of an african centered treatment approach describes a ghanaian approach to adjusting to widowhood and reviews psychological factors related to using condoms for hiv prevention in the african u s population he also discusses issues involving contemporary hair behavior among african u s women psychological warfare tactics used by the u s government against revolutionary activists and how the media can create images affecting african identity the book concludes with empirical research studies of african identity
