Creating Characters With Personality Tom Bancroft Breathing Life into Your Characters Mastering Personality Creation with Tom Bancrofts Techniques Are you struggling to create believable captivating characters that leap off the page or screen Do your characters feel flat stereotypical or simply uninteresting Youre not alone Many aspiring writers and artists face the challenge of imbuing their creations with compelling personalities This blog post will delve into the powerful techniques championed by animation legend Tom Bancroft offering a practical stepbystep guide to crafting characters with unforgettable personalities Well explore Bancrofts insights incorporate current research in character development and address the common pain points faced by creatives The Problem Flat Characters and the Struggle for Authenticity The heart of compelling storytelling lies in relatable and engaging characters However creating characters that resonate with readers or viewers is a complex process Many creatives struggle with Stereotypical characters Falling back on tired clichs and tropes lacking originality and depth Onedimensional personalities Characters with only one defining trait lacking complexity and internal conflict Inconsistent behavior Characters whose actions dont align with their established personality traits Lack of emotional depth Characters who fail to evoke empathy or connection in the audience Difficulty in differentiating characters Creating a cast that feels homogenous rather than diverse and distinct These problems often stem from a lack of a structured approach to character development Without a clear understanding of character motivations flaws and backstories its difficult to create a truly believable and engaging persona This is where Tom Bancrofts experience as a Disney animator shines a light on a proven path 2 The Solution Tom Bancrofts Approach to Character Personality Tom Bancroft renowned for his work on Disney classics like Mulan and Tarzan emphasizes a holistic approach to character creation His techniques informed by years of experience offer a powerful framework for crafting compelling characters 1 Understanding the Characters Core Bancroft emphasizes starting with the characters coretheir fundamental beliefs values and motivations This is more than just their profession or outward appearance its about their deepest desires and fears Consider using character questionnaires that probe beyond the surface What are their biggest fears What are their deepest desires What

are their moral codes What are their strengths and weaknesses What is their backstory and how has it shaped them Recent research in psychology particularly in personality theory eg the Big Five personality traits can be invaluable in adding layers to your characters Understanding the nuances of personality types helps you avoid creating flat predictable characters

2 Developing Compelling Backstories A welldeveloped backstory isnt just about where the character came from its about the experiences that have shaped their personality Bancroft stresses the importance of understanding their historytheir childhood relationships and significant life events This helps you understand their present actions and motivations Consider using tools like timelines or mind maps to visualize the characters journey

3 Creating Consistent Behaviour Once you understand the core of your character their behavior should flow naturally from their personality Inconsistent actions can break the illusion of realism and frustrate your audience Bancroft advises to carefully consider how your character would react in various situations based on their established personality and motivations This requires consistent internal consistency

4 Visualizing Personality Through Design Bancrofts experience in animation highlights the power of visual cues in conveying personality The characters physical appearance body language and even their clothing can communicate volumes about their inner world Consider using Silhouette A strong silhouette can convey a characters attitude and personality Body language Posture gestures and facial expressions are crucial in conveying emotions and personality Color palette Colors can evoke specific emotions and associations reinforcing the characters personality Clothing and accessories These choices reflect the characters lifestyle values and social standing

5 Show Dont Tell This ageold writing adage is crucial for character development Instead of directly stating a characters personality show it through their actions dialogue and interactions with other characters Let the audience infer their traits through their behavior

Conclusion Unleashing the Power of Authentic Characters By incorporating Tom Bancrofts holistic approach along with insights from contemporary research you can significantly improve your character development skills Remember that creating believable characters is an iterative process It requires experimentation revision and a willingness to delve deep into the psychology of your creations By focusing on the core backstory consistent behavior and visual representation you can create characters that are not just believable but truly unforgettable
