let anne mccaffrey storyteller extraordinaire and new york times and sunday times bestselling author open your mind to new worlds and new concepts alien nations psychic powers telepathy and planetary systems perfect for fans of david eddings brandon sanderson and douglas adams anne mccaffrey one of the queens of science fiction knows exactly how to give her public what it wants the times gripping great story brilliantly written ready for the next instalment reader review loved each and every word reader review awesome reader review read multiple times always amazing reader review damia and afra raven lyon have reared their children in a brilliant and unorthodox way all their young have been paired when six months old with the furry one eyed mrdinis the only other sentient beings in the alliance who can communicate with humans by their dream messages together man and mrdini work to create prosperous worlds and guard against the terrible threat of the annihilating bivers and now in the deeps of space mrdini scouts have crossed the path of three hive ships ships that are giant hulks of cell units bearing the queens and workers out into space to breed and multiply and destroy wherever they find a viable planet it is the four elder children of damia laria thian rojer and zara all uniquely talented in their various ways who will play their part helped by their life long dini friends in the conquering and investigation of the alien threat of the bivers

anne mccaffrey's world of the talented is as vivid as that of pern and its dragons publishers weekly earth has reached its darkest moment in subterranean warrens the poor eke out precarious lives where jobs are scarce and children are sold for labor while on the surface a privileged few enjoy lives of luxury as the population surges and unrest spreads a disaster of epic proportions seems inescapable the only hope a platform under construction in space from which starships will be launched to colonize distant planets but the project is critically behind schedule in the midst of the chaos rhyssa owen and her fellow talents telepaths who read minds kinetics who manipulate matter and precogs to whom the future is an open book struggle to survive then two children are discovered whose extraordinary psychic gifts have the potential to avert the looming catastrophe or hasten its ominous arrival

an enthralling biography of one of the most luminous shining stars of fantasy and science fiction world builder and dragon master anne mccaffrey written by her son collaborator and most devoted fan while you've been to pern you haven't heard the stories behind the stories i propose to fix that when anne mccaffrey's hugo award winning novella weyr search appeared in the late 1960s as part of the novel dragonflight the science fiction universe was gloriously transformed as readers first experienced the exhilarating thrill of soaring with dragons with the many pern novels that followed mccaffrey steadily won the hearts and unwavering devotion of millions of fans eventually earning a permanent position on the new york times bestseller list dragonholder celebrates the birth and

growth of mccaffrey s breathtaking literary vision as well as the momentous events of a life that was in many ways as extraordinary as the worlds and characters that mccaffrey created no one understands or appreciates mccaffrey s life and work better than her son todd does in dragonholder her frequent coauthor and avid fan intimately examines his mother s childhood and early adulthood the amazing gift of second sight she inherited from her own mother and grandmother the trials she faced juggling a career and a family during the turbulent sixties and her rise to literary stardom and he reveals the events and influences that ultimately gave rise to the myriad wonders of pern and the other miraculous worlds borne of anne mccaffrey s unparalleled imagination

let anne mccaffrey storyteller extraordinaire and new york times and sunday times bestselling author open your mind to new worlds and new concepts alien nations psychic powers telepathy and planetary systems perfect for fans of david eddings brandon sanderson and douglas adams anne mccaffrey one of the queens of science fiction knows exactly how to give her public what it wants the times a story that keeps you involved and you can read it again and again reader review i had trouble putting the book down reader review beautifully written and completely unputdownable reader review of all the rowan s children damia is the most brilliant the most difficult the loneliest and the one who has inherited the greatest talent it is obvious from childhood that she is going to be a prime with all the honours burdens and strains of that elite class her one friend is afra older wiser talented in his own way but belonging almost exclusively to the rowan and the workings of callisto station as damia grows up her talent becomes almost too strong to control and the solution is separation from her parents from callisto from her beloved afra sent to the distant planet of deneb to her strange and gifted grandmother damia begins the training necessary to turn her into a prime of extraordinary gifts a prime who can contact the minds of approaching aliens through space some of whom threatening to totally destroy the worlds of the nine star league

one of the world s most beloved series in sci fi history anne mccaffrey s the dragonriders of pern relaunches with an all new adventure the world of pern has for centuries depended on its dragons and their riders to protect it from total annihilation but when greed and resentment begin to simmer among the working people and disagreements between dragonriders have already culminated in the exile of an entire clan the growing tensions threaten to result in the most unthinkable act of all dragon fighting dragon

epic stories from a modern master of the craft new york times bestselling author todd mccaffrey is proof positive that when it comes to vision talent and imagination without boundaries the apple never falls far from the tree the son of science fiction legend anne mccaffrey as well as her frequent coauthor he offers up eight captivating tales that run the gamut from science fiction to humor to horror each one a treasure and a marvel todd mccaffrey shows himself to be a peerless storyteller

new york times bestseller together in one volume the first three books in the world s most beloved science fiction series dragonflight on a beautiful world called pern an ancient way of life is about to come under attack lessa is an outcast survivor her parents murdered her birthright stolen a strong young woman who has never stopped dreaming of revenge but when an ancient threat reemerges lessa will rise upon the back of a great dragon with whom she shares a telepathic bond more intimate than any human connection together dragon and rider will fly and pern will be changed forever dragonquest since lessa and ramoth her golden queen dragon traveled into the past to bring forward a small army of dragons and riders to save their world from deadly alien spores fear and desperation have spread across the land but while the dragonriders struggle with threats both human and otherworldly a young rider named f nor and his brown dragon canth hatch a bold plan to destroy the alien scourge at its source the baleful red star that fills the heavens and promises doom to all the white dragon never in the history of pern has there been a dragon like ruth mocked by other dragons for his small size and pure white color ruth is smart brave and loyal qualities that he shares with his rider the young lord jaxom unfortunately jaxom is also looked down upon by his fellow lords and by other riders as well his dreams of joining the dragonriders in defending pern are dismissed what else can jaxom and ruth do but strike out on their own pursuing in secret all they are denied but in doing so the two friends will find themselves facing a desperate choice one that will push their bond to the breaking point and threaten the future of pern itself
