lifts the lid on london gangs of the last two centuries the weekly news lays bare the truth  
behind the capital s underworld far before the krays and the richardsons became well known

the wharf incredible real life tales southwark news long before the kray twins london was plagued by gang warfare as vicious as anything that was to come from the 19th century onwards violent mobs fought pitched battles for territory and local pride the bethnal green boys hunted hackney s broadway boys clerkenwell took on somers town the red hands prowled deptford and the silver hatchets terrorised islington while the police and judiciary seemed powerless to stop them the first ever history of these intriguing street mobs traces them from jonathan wild the archetype for dickens fagin to sprawling super gangs like the titanic and the elephant boys it tells the bloody story of the racecourse wars when darby sabini and billy kimber slugged it out for control of gambling pitches and of such big hitters as george sage the guv nor of camden town dodger mullins and the mcdonald brothers eventually these local firms spawned notorious gangsters such as jack spot billy hill and johnny carter who carved out organised crime rackets across the capital gangs of london is a riveting journey through the dark underbelly of one of the world s great cities

this book is the third publication from the eurogang network a cross national collaboration of researchers from both north america and europe devoted to comparative and multi national research on youth gangs it provides a unique insight into the influence of migration on local gang formation and development paying particular attention to the importance of ethnicity the book also explores the challenges that migration and ethnicity pose for responding effectively to the growth of such gangs particularly in areas where public discourse on such issues is restricted chapters in the book are concerned to address both situations where there have been longstanding problems with street gangs as well as areas where such issues have just started to emerge a variety of different research traditions and approaches are represented including ethnographic methods self report surveys and interviews official records data and victim interviews it will be essential reading for anybody interested in the phenomenon of street and youth gangs

whilst there is considerable literature on rape from various perspectives there is very little that focuses on rape committed by multiple perpetrators also referred to as group or gang rape for the first time this handbook brings together international multi disciplinary perspectives on multiple perpetrator rape the book is organised to provide readers with a comprehensive account of the thinking theorising and empirical evidence on multiple perpetrator rape to date aspects covered include different contexts in which multiple perpetrator rape occurs such as gangs war fraternities south africa experiences of women and girls as victims and perpetrators offence characteristics such as leadership and role taking aggression and violence the importance of group size the prosecution of and treatment of offenders and approaches to prevention the contributions to this collection are written by leading academics and practitioners from a variety of disciplines who bring together research and practice on multiple perpetrator rape by presenting new data from a strong theoretical and contextual base this book will be a key text for students and academics studying multiple perpetrator rape and an essential reference tool for professionals working in the field including police officers educationalists forensic psychologists youth workers probation staff lawyers judges and policy makers

london s underworld takes us on the nightmarish last journeys of condemned criminals to the gallows at tyburn we enter death trap eighteenth century prisons one of which the novelist henry fielding described as a prototype of hell we walk the crowded streets of victorian london with its swarms of prostitutes and follow the ingenious villains who carried out the first great train robbery in 1854 we see the rise and fall of the interwar racecourse gangs and the bloody battle for control of the wes end this fascinating book illustrates how crime in the capital has evolved from the extreme violence of the early eighteenth century to the vastly more complex and lucrative but no less brutal gangland of today

contains essays in which the authors examine issues of and responses to teen gangs in

fourteen countries including australia great britain israel puerto rico and the united states

it d be easy for me to go back to my old life but i know where that old life leads you you re either behind prison bars or six feet underground terroll lewis has lived a crazy life growing up on brixton s myatt s field estate he was surrounded by gang culture and like so many other young people he found it hard to resist the lifestyle by the time he was 15 he had already joined a gang been stabbed shot at and was selling drugs a chance to play professional football offered a way out but the lure of an easier life the promise of girls money and cars led him back to south london and the notorious oc or organised crime gang violence and drug dealing were the norm in oc but terroll has long since turned his back on this world though the association with oc endures through the ink on his skin these days terroll s giving something back block workout a street gym he founded in his old neighbourhood gives young men an opportunity to follow a different road to the one he took during his adolescence helping them develop their minds as well as their bodies and the chance to live a better life

an examination of london s gangs over the last century from the dover road gang and the green gate fighting gang of the 1880s to the era of the krays and the richardsons to the triads and yardies of the present the author looks at the people who ruled robbed and regulated vast areas of the city
