in many criminal prosecutions medical evidence plays a vital part in establishing the guilt or innocence of the accused most notably when serious injury of physical abuse is part of the prosecution s case this is a complete reference source for the specialty identifying all the medical ethical and statutory principles by which the forensic medical practitioner has to be guided

previous editions of this book have been greeted with great acclaim this edition reflects the past decade s advances in research and techniques and includes contributions from experts on every aspect of child abuse

for carol ann life was almost perfect until she began to suspect something wasnt quite right with her youngest son zachary who was just two years old call it mothers intuition or maybe it was the knowledge of being a nurse that lead her on a frustrating search to find the answers to what she feared the most her nightmare turned into reality and zachary was diagnosed with neurofibromatosis when the disorder manifested into a fight for zacharys life carol ann and her husband nathan struggled to find a cure in time despite overcoming many odds without medical explanation zachary became an inspiration beyond belief as he strengthened the faith of a community and far beyond it wasnt until carol ann and nathan were forced to make the ultimate decision that they would come to realize the extent of what zachary was capable of accomplishing despite his incredible suffering while teaching thousands a valuable lesson in the meaning of life

a warm and expansive portrait of a woman s mind that feels at once singular and universal this collection of essays interweaves commentary on modern life feminism art and sex with the author s own experiences of obsession heartbreak and vulnerability buzzfeed like a song

that feels written just for you larissa pham s debut work of nonfiction captures the imagination and refuses to let go pop song is a book about love and about falling in love with a place or a painting or a person and the joy and terror inherent in the experience of that love plumbing the well of culture for clues and patterns about love and loss from agnes martin s abstract paintings to james turrell s transcendent light works and anne carson s eros the bittersweet to frank ocean s blonde pham writes of her youthful attempts to find meaning in travel sex drugs and art before sensing that she might need to turn her gaze upon herself pop song is also a book about distances near and far as she travels from taos new mexico to shanghai china and beyond pham meditates on the miles we are willing to cover to get away from ourselves or those who hurt us and the impossible gaps that can exist between two people sharing a bed pop song is a book about all the routes by which we might escape our own needs before finally finding a way home there is heartache in these pages but pham s electric ways of seeing create a perfectly fractured portrait of modern intimacy that is triumphant in both its vulnerability and restlessness
