when will jesus return for his people book 2 when is jesus actually coming back jesus warned his followers stay awake for you do not know on what day your lord is coming so is jesus coming back soon that is the question that author don nicely answers in this amazing revealing book it s been said that it s been a while since such a simply written book comes out on such a complicated subject jesus will come back soon however no one knows the exact time when jesus is coming again mark 13 32 says but about that day or hour no one knows not even the

angels in heaven nor the son but only the father interestingly though the disciples asked jesus the very same question just before he returned to heaven on that monumental day at that time jesus told them it was not for them to know the times or seasons which are in the father s authority therefore knowing that jesus may come back tomorrow next month next year or 100 years from now so what does this mean for you and me always be ready for the second coming of jesus christ watch and focus on jesus because the devil is seeking to distract mankind from understanding the signs and closeness of jesus coming there are several questions that we must ask why is jesus taking so long to come back how should we live while we wait author don nicely answers these questions and so many more in this amazing book when will jesus return for his people christians should be on guard watching and praying until the day of the lord the bible says in luke 21 34 36 but take heed to yourselves lest your hearts be weighed down with carousing drunkenness and cares of this life and that day come on you unexpectedly for it will come as a snare on all those who dwell on the face of the whole earth watch therefore and pray always that you may be counted worthy to escape all these things that will come to pass and to stand before the son of man will the angels come back with jesus what happens to the righteous at the second coming are the wicked destroyed by christ s coming when will we get immortal bodies why is jesus coming back jesus more than anything wants to spend time with you he invites you to return to heaven with him to enjoy an eternity with no more tears pain or suffering the difficulty in believing jesus is coming back soon is that 2 000 years have passed since he said he was coming soon and we are still waiting if that is soon it doesn t feel like it this forces us to come to grips with the word soon we tend to think of soon with immediacy clearly soon to jesus is different from soon to us the fact that jesus is coming soon does not mean he is coming tomorrow but he could jesus coming soon could mean he will return within the next few days the next few years the next few decades or possibly the next few centuries we must deal with the question of him coming soon and be prepared for those who get tired of hearing it this book will guide you in the truths of the word of god that will help you understand the end times and the return of jesus get a copy today

based on a national survey this revealing book explores what christian teenagers say they believe about jesus and the church and what that means in their lives

the all encompassing return of christ brings fresh perspective to age old debates surrounding christ s return the return of christ is a topic of fervent debate within the christian church although orthodox christians agree christ will return the specifics are confusing and laden with controversy these divergences can be attributed to differences in biblical presuppositions and interpretative principles one pivotal point of contention is the interpretation of the millennium in revelation chapter 20 the all encompassing return of christ presents the amillennialism view as the proper understanding of that chapter asserting that end times are a singular event while there are multiple events associated with christ s return they all occur around the time of his second coming this work provides an insightful introduction to amillennialism addressing

prevalent objections particularly those arising from the dispensational perspective

today's scripture guidance contains daily scripture from the word of god to guide believers and those who want to have detailed holy spirit guidance each daily scripture is received from god through the servant of jesus prayer to him the servant of jesus surrenders to jesus in prayer each day asking him to utilize the holy spirit to meet god and receive the scripture that god wants his people to read that day the servant of jesus also asks that jesus call the holy spirit to send spirit taught words through the servant that gives spirit guidance of the very word of god this prayer and surrender process is done by the servant of jesus each day so that every single day of scripture is from god and every single day of guidance to the word of god is from the holy spirit the word and the guidance of god's word is not from the servant of jesus but is delivered through the servant of jesus this is the work that jesus has called this servant to do amen today's scripture guidance is from the very word of god it is spoken boldly with spirit taught words the guidance is there each day to help the readers of god's word understand the mystery of his word through words delivered by the holy spirit today's scripture guidance delivers daily reading and guidance to strengthen your understanding of the word of god and to guide you through living your life in a way that pleases god this guidance will help you to truly understand the word of god each day the word was selected by god and the guidance was delivered with spirit taught words from the holy spirit hallelujah

and if i go and prepare a place for you i will come again and will take you to myself that where i am you may be also john 14 3 esv jesus christ was very clear one day he will return and none of us knows when vocal fanatics claim to know the details of the second coming causing many christians to all but ignore the good news that jesus is coming again yet god s own word commands us to know the signs of the times to remain watchful and to be ready whenever christ comes this book is a straightforward in depth exploration of the key biblical texts regarding the second coming most notably christ s longest and most important eschatological message the olivet discourse as you study what the word of god says about these matters it will stir in your heart an earnest longing for christ s return as well as a certainty about how to live expectantly until he comes again

the second coming of jesus christ is the hope of believers that god is in control of all things and is faithful to the promises and prophecies in his word in his first coming jesus christ came to earth as a baby in a manger in bethlehem just as prophesied jesus fulfilled many of the prophecies of the messiah during his birth life ministry death and resurrection however there are some prophecies regarding the messiah that jesus has not yet fulfilled the second coming of christ will be the return of christ to fulfill these remaining prophecies in his first coming jesus was the suffering servant in his second coming jesus will be the conquering king in his first coming jesus arrived in the most humble of circumstances in his second coming jesus will arrive with the armies of heaven at his side are you preparing for that day will you be there with the rest of the sanctified saints do you know the signs times and events that lead up to the second coming of jesus christ this book will give you the knowledge you need to understand this great event and what it will be like to live during the millennium it will give you a clear understanding of the events leading up to during and after christ s reign upon the earth finally and perhaps most important of all it will give you the scriptural documentation you will need to confirm these truths for yourself
